SERVICES & PRICING GUIDE

Welcome to BauTeam

BauTeam serves as a pivotal bridge between the creative visions of builders, architects, and interior designers, and the tangible reality of beautifully functional spaces. Our core purpose is to seamlessly integrate conceptual design with practical construction solutions, creating architectural masterpieces that balance aesthetics with everyday usability. We help professionals translate their conceptual plans into fully realized spaces that not only inspire but also provide the functional needs of their clients, enhancing the living or working experience in those areas.

What makes BauTeam unique is our specialization in collaborating closely with builders, architects, and interior designers, aiding them in their quest to create truly remarkable spaces. Our team brings together a blend of expertise and an in-depth understanding of the complexities of construction, ensuring that the creation process runs smoothly and that the resulting space aligns perfectly with the initial vision. We take pride in being able to interpret and implement our clients' creative ideas, providing insightful suggestions, and working relentlessly to meet their expectations. BauTeam ensures that every design, no matter how ambitious or unconventional, gets the attention it deserves and is skillfully transformed into an awe-inspiring, functional reality.

Our Team Is Your Team

At BauTeam, we believe in the power of collaboration and aligning goals, and we embody this ethos in our principle: "Our team is your team". This is not just a motto, it's the cornerstone of our operational philosophy. We collaborate closely with you, understanding your visions and aspirations, and making them our own. Our talented professionals devote their expertise and passion to make your dreams a reality, while you remain at the helm of decision-making throughout the journey. We are the experts you trust and the partners you rely on.

We are an extension of your creative thought and execution process. From the earliest planning stages through to the final touches, we work with you, anticipating challenges, providing solutions, and helping to refine and enhance your designs. With our seasoned professionals at your service, we ensure that every part of your project benefits from our experience, attention to detail, and commitment to excellence. At BauTeam, when we say, "Our team is your team," we truly mean it – our collective successes are your successes, and your vision is our mission.

"We firmly believe that our team is your team, committed to turning your vision into reality and making collective successes our shared triumphs."

How It Works

01 BOOK A DISCOVERY CALL

We'll review your project and discuss your clients lifestyle, finishes, configurations, and budgets.

02 DESIGN & QUOTE

We'll create a free preliminary design & project quote for you to present to your clients.

03 DEPOSIT

Once your client has approved the initial design & quote, we require a design retainer of \$3,500 to begin creating your mechanical drawings & renders.

04 SIGN OFF

Once you sign off on the mechanical drawings, we'll then invoice you for your cabinets, appliances, slabs, etc. Labor to install is billed by one of our certified 3rd party installers.
